

Good news

Our local club Tanworth and Camp Hill Cricket Club incorporating Leafields athletic Ladies football club based at Rumbush Lane

Has been awarded £47,119 by Sport England from their Inspired Facility Fund. This will enable the club to update its changing rooms to be suitable for male and female use, storage room for ground equipment, and improved heating facilities

The application was based on increasing the playing occupancy of the club by 100% over the next five years in line with a comprehensive development plan to encourage local in the area to join the club and our further coaching at local schools through CSW Sports Satellite program.

We would like thank the Parish Council for their letter of support for our application and their financial support towards the costs over the next 3 years to start Football & Cricket coaching for youths of the village between the ages of 14 to 18 years of age to be held at Rumbush Lane 10 sessions per sport each year.

We will be advertising on the parish web site, flyers, through the local schools, local papers, and parish youth leader on the start dates and times

After checking that there are no legal problems it is the intention to Rename the club **Dickens Heath Sports Club** (Incorporating Tanworth and Camp Hill Cricket Club / Leafields Athletic Ladies Football club)

We hope the village will feel they are more associated with the club and will want to join one of the sports we offer or just be a social member.
