

Dickens Heath Parish Council

Solihull Local Plan Review Consultation

The Parish Council, along with a majority of respondents to our Local Plan survey of 2 years ago, do not wish to see further development in Dickens Heath.

However, housing numbers are being imposed by the Government, and Solihull MBC are under pressure to deliver more houses than those already included in its Plan. IF additional housing is to come to Dickens Heath, then it MUST also deliver something for the community.

SMBC have published a revised version of the Local Plan for consultation - which includes a reduced number of houses for Dickens Heath, but also has lost the benefit of a community sports hub.

The full details can be seen at: www.solihull.gov.uk/lpr

And comments can be submitted by going to:
