

To Solihull Council – Civic Suite Solihull  
**Dickens Heath Library – Retention of Opening Hours**

Signature                          House      Post Code  
                                                        Number

We the undersigned residents request Solihull Council Cabinet Post Holder for Stronger & Safer Communities to recognise the importance of the Dickens Heath Community Library as a special case and to “Reverse Proposals to reduce Opening Hours” in the current review. To take account of its contribution to community cohesion in a young village and the partnership benefit of co-locating the Parish Council Offices into the Library Premises to support its viability.
