

## Consultation on Planning Application - **PL/2022/02301/TPO**

---

In line with tpo and conditions of planning inspector (appeal ref APP/Q4625/W/20/3247933) I wish to undertake minor pruning of the said Oak tree. The canopy is currently oversailing the roof of the proposed garage which is under construction. While crown raising, and pruning has taken place by the construction company in 2004, I am concerned that the canopy could damage the roof of the garage if left as it currently is. Please see photograph of sire and proposed pruning scheme. As well as indigo arboricultural report.
